

BIRTHDAY BOOK PROGRAM

The Parents' Club accepts donations for the library in honor of your child's birthday or other special occasions. Your donation will allow the school to select new, hardcover, non-fiction books based on your child's interests and the needs of the library inventory. If you wish to donate a book to the PHPS library, please fill in the form below and return it in the enclosed envelope along with a check made payable to PHPS Parents Club. A personal acknowledgement will be placed in the book, and the book will be presented to your child on his birthday or "half-birthday". After sharing the book with his class, your child may bring it home to share with his family. When he brings it back to school, it will be placed in the school library. (Please note that the cost of a hardcover book begins at a minimum of \$20.)
