

Middle School Math & Science

Job Summary

Preston Hollow Presbyterian School is seeking a full-time middle school math and science teacher for the 2026-2027 school year. PHPS serves K-6th grade students. Successful candidates will have experience in teaching in the upper elementary or middle school classroom setting. The teacher is required to lead planning and instruction for 6th grade math and science, assist in planning and teaching the executive functioning curriculum, and to help develop strong middle school math and science curricula in preparation for grades 7 and 8 beginning in 2027-2028.

Duties and Responsibilities

The job description below is not designed to cover all activities, duties or responsibilities that are required for this position

- Develop and effectively implement science and math curricula.
- Partner with grade-level teachers in effectively implementing executive functioning curriculum.
- Prepare motivating and stimulating lessons that reflect knowledge of subject matter, best practices, and child development for students with learning differences.
- Employ a variety of teaching methods and differentiated instruction to engage different learning styles and ability levels in the classroom.
- Monitor, evaluate, and document student progress and growth.
- Create a classroom culture that is engaging, student-focused, and effectively managed.
- Effectively and consistently partner and communicate with parents, colleagues, and students.
- Collaborate with grade-level colleagues to maintain student progress and goals.
- Participate in professional development, reflect on teaching, and be open to new ideas regarding current best practices in education.

Qualifications

Knowledge, Skills and Abilities

- Proficiency with common computer programs used in elementary and middle school settings, such as iPads, Google Classroom, Google Chromebooks, Student Information Systems, Multimedia applications, etc.
- Experience with, or willingness to learn new math and/or science curricula and online components.
- Ability to design and deliver lessons based on best practices for math and science instruction.
- Ability to adapt teaching style for learners with diverse learning styles.
- Ability to communicate effectively in both oral and written forms.
- Ability to prepare and implement lessons based on PHPS reading goals and objectives
- Strong classroom management and organizational skills.
- Strong interpersonal skills, including the ability to work effectively with students, parents, and fellow staff members.
- Positive, professional, collaborative work style.

Education and Experience

- Bachelor's Degree, Master's degree preferred
- 3-5 years of teaching experience, preferably in reading instruction at the middle school level

Additional Duties and Responsibilities
